Evaluation of oral presentations:

Please rate the presenters in the following categories by assigning a number to each statement as follows (half-points are appropriate):
4 = strongly agree
3 = agree
2 = disagree
1 = strongly disagree

Name of Presenters: __________________________________________

1) The speakers introduced the topic so that I could understand why it was important. 
2) The speakers stated the objectives clearly. 
3) The speakers summarized the discussion in a way that I understood. 
4) The speakers stated conclusions that were reasonable and consistent. 
5) The speakers used visual or other aids that were appropriate and effective. 
6) The speakers organized their presentation in an effective way to transmit their viewpoint.

Total score of questions 1-6 _________

7. Tell the speakers something they did well in the presentation.

8. Tell the speakers something they could have improved in the presentation.
